migrate

grow old

die

This sounds like a song...

general

feeding

Herbavore eat what they can, preditors eat what's left.

beading

1. birth if fit

migasion

Mostely random...

general

feeding

Herbavore eat what they can, preditors eat what's left.

beading

1. birth if fit
2. have enough fat

migasion

Move if it can.

general

feeding

Herbavore eat what they can, preditors eat what's left.

beading

1. birth if fit
2. have enough fat
3. random

migasion

Mostly random...
